

Zakopane Express

A 5 hour City Game, where teams solve a series of mental, physical and psychological challenges in locations around Zakopane, including a museum, theater, restaurant, and a hike in the National Park.

Participants learn about the history, artists, literature, architecture, and natural beauty of Zakopane as they decode messages, interact with local actors and businesses, travel into cyberspace, and discover amazing locations which most visitors never see.

Much more than Krupówki!
